Executive Summary

Date: February 9, 2022

Request: Annual request to trade-in Police Department handguns to Salt Lake Wholesale (Glock Dealer for Law Enforcement)

From: Captain Bill Collins, Pocatello Police Department

The Pocatello Police Department is requesting permission to trade-in and purchase handguns through Salt Lake Wholesale. Salt Lake Wholesale is one of the only distributors for law enforcement agencies in this region for Glock handguns. Police Department staff currently purchases ammunition from Salt Lake Wholesale, who has the state bid.

Staff are asking for the following:

Accept the quote from Salt Lake Wholesale (Blue Label Glock Dealer for Law Enforcement) for the following firearms to be used by members of the Pocatello Police Department:

- (a) Trade-in 11 old Glock 21's, 1 old Glock 30, and 2 old Glock 17's firearms; and if approved
- (b) Purchase 16 new Glock 17 MOS handguns and 2 Glock 19 MOS handguns.

The purchase price of a new Glock 17 and 19's is \$481.00 each with night sights. Salt Lake Wholesale will allow a \$265.00 trade in value for each gun traded. The City will be able to obtain the new firearms at a significantly lower price because of the trade-in. The total cost for the 18 new Glock handguns is \$8658.00, The trade in value for the 14 used Glock handguns is \$3710.00 and the total cost to the department is \$4948.00. Due to the trade in value our department only pays \$274.88 per gun. This amount is within the amount that is budgeted for each year by the police department.

The police department has a rotational plan for all duty handguns to be traded out approximately every five years. This helps to ensure that each officer has a reliable duty weapon for their use. This also saves the department money for repairs and new parts that each weapon will eventually need.

Funds are available in the Police Department's Fiscal Year 2022 budget.
