The proposed new lease will be for a one-year term with a one-year renewal option and the rental rate will be \$4,137.26 per year and increase annually at least by the amount of the CPI for the previous year.

GROUND LEASE AGREEMENT

THIS AGREEMENT made and entered into this ____ day of June, 2023, by and between the CITY OF POCATELLO, a municipal corporation of Idaho, hereinafter referred to as “LESSOR”, and AMERIGAS PROPANE GP, LLC, a Delaware Limited Liability Company qualified to do business in Idaho, with an assumed business name of V-1 PROPANE, hereinafter referred to as “LESSEE”:

WITNESSETH:

WHEREAS, Lessor is the owner of certain lands located in Power County, Idaho, commonly known and designated as the Pocatello Regional Airport, which property is subject to certain covenants and restrictions imposed under the Surplus Property Act of 1944; and

WHEREAS, on February 16, 2012, the City of Pocatello and Heritage Operating, L.P. d/b/a V-1 Propane, entered into a Lease Agreement for the purpose of bulk storage of propane; and

WHEREAS, V-1 Propane is currently operating under AmeriGas Propane GP, LLC; and

WHEREAS, V-1 Propane has hereto conducted its business under a Lease Agreement which expired April 30, 2022, and desires to continue its business at the hereinafter described land at the Pocatello Regional Airport.

NOW THEREFORE, for and in consideration of the mutual covenants hereinafter contained, the Parties agree as follows:

I. PREMISES

Lessor leases to Lessee the following described land upon the terms and conditions hereinafter set forth; such property so let being described in Exhibit “A” and depicted in Exhibit “B”, both attached and incorporated herein.

II. TERM

The initial term for this Lease shall be for one (1) year, commencing June 1, 2023 and terminating May 31, 2024. This Lease shall automatically renew for an additional one (1) year term, unless sooner terminated by either Party. The notice of non-renewal of this Lease shall be made as hereinafter provided on or before May 31, 2024.

III. PURPOSE

The premises described herein shall be used by the Lessee for the purpose of bulk propane storage. Lessee may store said flammables on the lease premises as long as said storage complies with Pocatello City Code 11.05 "Fire Protection". No other use of the demised premises is permitted.

IV. RENTAL

For the first year of the lease term, commencing June 1, 2023 and terminating May 31, 2024, Lessee shall pay to Lessor the sum of four thousand one hundred thirty-seven dollars and twenty-six cents (\$4,137.26), which sum is payable on or before June 1st. For each succeeding lease term, the rental rate shall increase by an increment of not less than the annual inflation rate as measured by the Western Consumer Price Index for the preceding year. However, in no event shall Lessee's annual rental obligation be less than \$4,137.26. For each succeeding rental period the rental payment shall be made on or before June 1st of that year.

Late Charges and Interest: Lessee acknowledges that a late payment of rent from Lessee to Lessor will cause Lessor to incur costs not contemplated by this Lease, the exact amount of such costs being extremely difficult and impracticable to ascertain. Such costs include, without limitation, processing and accounting charges. Therefore, if any installment of rent due from Lessee is not received when due, Lessee shall pay to Lessor the additional sum of \$300.00 as a

late charge. The Parties agree this late charge is not a penalty but represents a fair and reasonable estimate of the costs Lessor will incur by reason of a late payment by Lessee. The acceptance of any late charge shall not constitute a waiver of Lessee's default with respect to the overdue amount, nor prevent Lessor from exercising any of the other rights and remedies available to Lessor. The payment of said late charge shall be required to cure the default occurring by reason of the failure of Lessee to timely pay a rental installment. All amounts not paid by Lessee when due shall bear interest at the rate of eighteen percent (18%) annual percentage rate.

V. EXAMINATION OF PREMISES

Lessee has inspected the aforescribed premises and accepts the same "as is." Lessor makes no warranties, express or implied, concerning the property and Lessee in executing this Lease is relying upon its own judgment, information, and inspection of the leased premises. Lessee hereby acknowledges that it is accepting the leased premises from the City subject to any and all physical conditions of the premises. Lessee further affirms that the City, its agents, employees, and/or attorneys have not made nor has Lessee relied upon any representation, warranty, or promise with respect to the leased premises or any other subject matter of this Lease Agreement except as expressly set forth in this Agreement, including without limitation, any warranties or representations expressed or implied as the general plan designation, zoning, value, use tax status or physical conditions of the leased premises or improvements thereon, or any part thereof, including, but not limited to the flood elevations, drainage patterns and soil and subsoil compositions and compaction level, and other conditions at the leased premises, or the existence or non-existence of toxic or hazardous materials on or under the premises, or as to the accuracy of any boundary survey or other survey or any soils reports or other plans or report therefore.

VI. WASTE

Lessee covenants that it will not commit or allow others to commit waste on the premises.

VII. MAINTENANCE OF FACILITY

Lessee shall keep and maintain the leased premises and all improvements of any kind in good and substantial repair and condition, and shall make all necessary repairs and alterations thereto. Lessee shall provide proper containers for trash and garbage, and shall keep the leased premises free and clear of rubbish, debris and litter at all times. All roadways or other paved/asphalt areas within the demised premises shall be maintained by Lessee at Lessee's expense. Lessor shall have the right to enter upon and inspect said premises, but shall attempt to make such inspections at a mutually agreeable time.

VIII. UTILITIES

Lessee shall promptly pay any charges for water, electricity, telephone, and all other charges for utilities which may be furnished to the leased premises at Lessee's order or with Lessee's consent. Provided, however, that no water or sewer connection shall be made without prior approval of Lessor.

IX. NO SUBLEASE OR ASSIGNMENT

Lessee shall not directly nor indirectly assign, transfer or encumber any of the rights in or to this Lease or any interest herein, nor any improvements made to the premises, without the express written consent of Lessor. Lessee acknowledges that Lessor has the right to require termination of this Lease and the execution of a new Lease on the part of a prospective sublessee or assignee rather than consenting to any sublease or assignment and Lessee agrees to so inform any interested party.

X. INDEMNIFICATION

Lessee agrees that it will at all times maintain Worker's Compensation coverage for the benefit of its employees, and adequate liability and property damage insurance as specified in Section XI covering the activities of Lessee, its agents, servants and employees, on the leased premises.

Lessee further agrees to defend, indemnify, and save Lessor, its agents, employees and public officials, harmless from any and all claims or causes of action of any nature whatsoever arising out of the activities and operations of Lessee, its agents, servants, invitees, officers, and employees, in connection with this Lease, or the use in common with others of the Pocatello Regional Airport.

XI. INSURANCE

In order to effectuate the foregoing indemnification provisions, Lessee shall maintain insurance coverage as follows:

A. Lessee shall purchase a comprehensive liability insurance policy in the amount of \$1,000,000 combined single limit to indemnify Lessor from any and all public liability claims. Further, such policy shall include coverage for fire legal liability to repair or replace the demised premises. Lessor shall be named as an additional insured or be acknowledged by Lessee's insurance carrier as a covered entity under the terms of said policy. Moreover, the Lessee is required to put its surety on notice, that said surety may not change or cancel the existing insurance policy with Lessee without first giving Lessor, City of Pocatello, at least thirty (30) days written notice.

B. Lessor does not provide insurance that will cover the Lessee's personal property that may be located on the demised premises. Lessee may purchase personal property insurance in an

amount sufficient to insure any and all Lessee's personal property which might be used in Lessee's operation of the business or which might be present on the airport premises. In the event Lessee elects to forego maintaining personal property insurance, and Lessee suffers loss of personal property stored on leased property, Lessor will not be held responsible due to Lessee's lack of personal property insurance.

C. If applicable, Lessee shall purchase Worker's Compensation insurance or the equivalent as required by Idaho Code.

D. An Accord Certificate of Insurance evidencing compliance with the foregoing insurance requirements shall be filed with the Clerk of City of Pocatello prior to or at the time of execution of this Lease Agreement. The above described insurance shall contain contractual coverage sufficiently broad to insure the provisions of Section X "Indemnification." The Lessee's failure to maintain insurance shall be a basis for immediate termination of this lease.

XII. DISCHARGE OF LIENS

Lessee agrees to pay, when due, all sums of money that may become due for, or purporting to be for, any labor, services, materials, supplies, utilities, furnishings, machinery, or equipment which have been furnished or ordered with Lessee's consent to be furnished to or for Lessee in, upon or about the premises herein leased, which may be secured by any mechanic's, materialman's or other lien against the premises herein leased or Lessor's interest therein, and will cause each such lien to be fully discharged and released at the time the performance of any obligation secured by any such lien matures or becomes due. Provided however, Lessee may in good faith contest any mechanic's or other lien filed or established, and in such event may permit the items so contested to remain undischarged and unsatisfied during the period of such contest. In any event, Lessee agrees to defend and indemnify the Lessor for any such claim and/or lien.

XIII. RELEASE AND RELINQUISHMENT

Notwithstanding the terms of Article II above, either party may, at any time, terminate this Lease Agreement upon giving 90 days written notice to the other party. Thereupon, neither Lessee nor Lessor shall have further liability or responsibility to perform under this Lease Agreement except for the payment of monies due under Section IV herein up to and including the date of termination, and except for the disposition of any appurtenances provided for in Section XIV herein. In the event Lessor terminates this Lease Agreement during any lease term, Lessor shall reimburse Lessee the unearned portion of the rental paid by Lessee on a pro-rata basis to the effective date of the termination.

XIV. TERMINATION

On the termination date of this lease, Lessee shall forthwith surrender possession of the leased premises, in good condition, reasonable wear and tear excepted. Thereupon any appurtenances and improvements constructed or installed thereon under this lease shall be forthwith removed by Lessee, including fixtures at the option of Lessor. In so doing, Lessee shall ensure that any remaining equipment and furnishings are not damaged but are left as they would have been without such removal.

In the event Lessee does not remove the improvements within sixty (60) days of the termination date, unless a written agreement to the contrary has been executed by Lessee and Lessor, Lessee shall forfeit all of its right, title, and interest in and to said appurtenances, and fixtures, which shall thereupon become the property of the Lessor City as if conveyed by separate instrument without any recompense, payment, or reimbursement of any kind to Lessee.

XV. STATUTES, ORDINANCES, RULES AND REGULATIONS

Lessee, for itself, its employees, agents, successors and assigns, expressly agrees to obey all applicable laws and regulations of the United States, including regulations of the State of Idaho, of Power County, and of the City of Pocatello, as well as the rules and regulations of the Pocatello Regional Airport. Lessee further agrees to conform to the requirements of the Airport Master Plan and those agreements between the United States and the City of Pocatello pertaining to the Pocatello Regional Airport.

XVI. DEFAULT

A. Failure of Lessee to pay rent on or before its due date or any other charge within ten (10) days after it is due shall constitute default.

B. Failure of Lessee to comply with any term or condition or to fulfill or comply with any obligation of this Lease, other than as specified in subparagraph A above, within thirty (30) days after written notice by Lessor specifying the nature of the default with reasonable particularity, shall constitute default. If the default is of a nature that it cannot be cured within the said thirty (30) day period, Lessee may, within said period, present a plan, in writing, to the Airport Manager that provides a schedule in which Lessee will be able to cure the default. If the Lessee's plan is approved by the Airport Manager, Lessee's default will be held in abeyance so long as the Lessee thereafter proceeds with reasonable diligence, in good faith and is able to meet the plan's deadlines, then the default shall be deemed cured.

C. The following shall constitute default by insolvency: 1) Insolvency of Lessee; 2) An assignment by Lessee for the benefit of creditors; 3) The filing by Lessee of a voluntary Petition in Bankruptcy; 4) An adjudication that Lessee is bankrupt or the appointment of a receiver of the properties of Lessee; 5) The filing of an involuntary Petition of Bankruptcy and

failure of the Lessee to secure dismissal of the Petition within thirty (30) days after filing; and 6) Attachment of or the levying of execution on the leasehold interest and failure of the Lessee to secure discharge of the attachment or release of the levy or execution within ten (10) days.

XVII. REMEDIES IN DEFAULT

In the event of default, the Lessor, at its option, may terminate this Lease. In the event of a Termination on Default, Lessor shall be entitled to recover the reasonable costs of reentry and re-letting, including, without limitation, the costs of any cleanup, refurbishing, removal of Lessee's property and fixtures or any other expense occasioned by Lessee's failure to quit the premises upon termination and to leave them in the required condition, and any attorney fees, court costs, brokerage commissions and advertising costs, along with the loss of reasonable rental value from the date of default until a new tenant has been, or with the exercise of reasonable efforts could have been, secured. The remedies afforded the Lessor in this section shall not be exclusive but shall be cumulative, and in addition to all remedies now or hereafter allowed by law or elsewhere provided in this Lease Agreement.

XVIII. ENVIRONMENTAL MATTERS

Lessee hereby indemnifies, agrees to defend and shall hold Lessor harmless from and against all liability, loss, claim, damage or expense, including but not limited to reasonable attorneys' and experts' fees, clean-up or other remediation costs and fees and government fines, arising out of or in connection with the existence of any toxic or hazardous materials, pollutants, contaminants or hazardous wastes introduced to the leased premises by Lessee or its agents or from sources within Lessee's reasonable control in violation of any Environmental Law, as defined hereinafter, from and after the commencement date of this lease and through and until the date on which Lessee vacates the leased premises. Lessor hereby indemnifies, agrees to

defend and shall hold Lessee harmless from and against all liability, loss, claim, damage or expense, including, but not limited to, reasonable attorneys' and experts' fees, clean-up or other remediation costs and fees, and governmental fines, arising out of or in connection with the existence of any toxic or hazardous materials, pollutants, contaminants or hazardous wastes existing on the leased premises in violation of any Environmental Law, as defined hereinafter, as of the commencement date of this lease, or which come onto the leased premises during the term of this lease from sources outside of Lessee's reasonable control including, without limitation, any expense associated with the removal of any underground storage tanks at the leased premises and any costs of remediation associated therewith. As used herein, 'Environmental Law' means any one or more of all federal, state and local environmental protection, occupational, health, safety and similar laws, ordinances, restrictions, licenses and regulations, including, without limitation the Federal Water Pollution Control Act (33 U.S.C. Sec. 1251 *et seq.*), Safe Drinking Water Act (42 U.S.C. Sec. 300f *et seq.*), Toxic Substance Control Act (15 U.S.C. Sec. 2601 *et seq.*), Clean Air Act (42 U.S.C. Sec. 7401 *et seq.*), Comprehensive Environmental Response, Compensation and Liability Act (42 U.S.C. Sec. 9601 *et seq.*), Hazardous Materials Transportation Act (49 U.S.C. Sec. 1801 *et seq.*), and other similar federal, state or local laws, statutes, ordinances, orders, decrees, rules and/or regulations, regulating, relating to or imposing liability or standards of conduct concerning any hazardous, toxic or dangerous waste, substance or material as now or at any time hereafter be applicable.

XIX. HAZARDOUS MATERIALS

"Hazardous Material" means any use or activity involving any substance which would cause (1) the leased premises to become a hazardous waste treatment, storage or disposal facility within the meaning of, or otherwise bring the leased premises within the ambit of, the Resource

Conservation and Recovery Act of 1976, or any similar federal or state law or local ordinance or any other environmental law, (2) a release or threatened release of hazardous waste from the leased premises within the ambit of, the Comprehensive Environmental response, Compensation and Liability Act of 1980, or any similar federal or state law or ordinance or any other environmental law, or (3) the discharge of pollutants or effluent into the air or any emissions, which would require a permit under the Federal Water Pollution Control Act, or the Clean Air Act, or any similar federal or state law or local ordinance or other environmental law, including but not limited to the Comprehensive Environmental Response, Compensation and Liability Act, any so-called "Superfund" or "Superlien" law, or any other federal, state or local statute, law ordinance, code, rule, regulation, order or decree, now or hereafter in force, regulating, relating to or imposing liability or standards on conduct concerning any hazardous material.

Lessee expressly assumes the risk and responsibility for any hazardous material during the term of this Lease Agreement, hereafter located on the leased premises, and hold harmless the City, its officers, employees, representatives, agents, and successors from and against any and all judgments, claims expenses, causes of action, damages, liability (including reasonable attorneys' fees and costs) (1) including all foreseeable and unforeseeable consequential damages, directly or indirectly arising out of the use, generation, storage, or disposal of hazardous materials on the leased premises, and (2) including, without limitation, the cost of any required or necessary repair, cleanup or detoxification and the preparation of any closure or other required plans, to the full extent that such action is attributable, directly or indirectly, to the presence or use, generation, storage, release, threatened release, or disposal of hazardous materials by any person on the leased premises.

XX. SIGNS

Lessee shall have the right to install or cause to be installed appropriate signs on the leased premises. The cost of such installations and operations shall be borne by Lessee. Lessee shall not erect, install, operate or cause, nor permit to be erected, installed, or operated upon the premises herein, any sign or other advertising device without first having obtained Lessor's written consent thereto as to size, construction, location, general appearance, and adherence to Pocatello Municipal Code.

XXI. MISCELLANEOUS

A. TAXES AND FEES. In the event the State of Idaho, Power County, or any State or local agency imposes a property tax or any substitute therefore on the demised premises, and/or the leasehold, Lessee shall pay the tax promptly when due.

B. NON-DISCRIMINATION. Lessee, for itself, its personal representatives, successors in interest, and assigns, as part of the consideration hereof, does hereby covenant and agree, as a covenant running with the land, that (1) no person on the grounds of race, color, sex, age, or national origin shall be excluded from participation in, be denied benefits of, or otherwise be subjected to discrimination in the use of said facilities, and (2) that in the construction of any improvements on, over, or under such land and the furnishing of services thereon, no person on the grounds of race, color, sex, or national origin shall be excluded from participation in, be denied benefits of, or otherwise be subjected to discrimination, (3) that Lessee shall use the premises in compliance with all other requirements imposed or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, Part 21, Nondiscrimination in Federally-Assisted programs of the Department of Transportation-

Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations may be amended.

In the event of breach of any of the nondiscrimination covenants contained herein, Lessor shall have the right to terminate the lease, and to reenter and repossess said land and facilities thereon, and hold the same as if said lease had never been made or issued; provided, however, that Lessee allegedly in breach shall have the right to contest said alleged breach under applicable Federal Aviation Administration procedures, and any sanctions under or termination of the lease shall be withheld pending completion of such procedures.

C. SUBORDINATION. This Lease shall be subordinate to the provisions of any existing or future agreement between the Lessor and the United States relative to the operation and maintenance of the airport, the execution of which has been or may be required as a condition precedent to the expenditure of Federal funds for the development of the Airport.

D. MERGER. This writing represents the entire Agreement between the parties. No prior promises, representations or agreements, written or oral, shall amend, change or add to any of the express provisions herein.

E. SECTION CAPTIONS. The captions appearing under the section number designations of this Lease are for convenience only and are not a part of this Lease and do not in any way limit or amplify the terms and provisions of the Lease.

F. CONSTRUCTION. This Agreement shall be construed pursuant to the laws of the State of Idaho. The parties agree that no construction of this Agreement shall be made in a Court of competent jurisdiction against the interests of any party to the Agreement on the basis that the party had primary responsibility for drafting the Agreement.

G. JURISDICTION AND VENUE. Any action or proceeding to enforce the provisions of this Lease Agreement shall be maintained in the Sixth District Court, County of Bannock, State of Idaho.

H. ENTIRE AGREEMENT. This instrument constitutes the sole and only agreement between Lessor and Lessee respecting the demised premises, the leasing of said premises to Lessee, or the lease term herein provided and correctly sets forth the obligations of Lessor and Lessee to each other as of its date. No prior promises, representations, or agreements, written or oral, shall amend, change or add to any of the expressed provisions herein contained. This agreement can only be modified or amended in writing upon the mutual agreement of the parties hereto.

I. ACCESS LOOP: Lessee recognizes that access to the demised property is made from an access loop that extends from Mustang street. Although part of this loop is located within the demised premises, Lessee understands that it shall in no way fence, block or otherwise obstruct the public from using the access loop.

J. THIRD-PARTY GOVERNMENTAL AGENCIES. Lessee acknowledges and agrees to immediately provide Lessor with a copy of any written correspondence or verbal and/or written demands provided to Lessee regarding the leased demise by any third-party governmental agency including, but not an exhaustive list, any county, local taxing district or any Tribal authority. Moreover, Lessee shall not enter into any written agreement with any third-party governmental agency regarding the Leased Premises or Lessee's operations thereon without first obtaining Lessor's written consent to do so.

K. CORPORATE AUTHORITY. Any individual or individuals executing the within document on behalf of any corporation which is a party hereto, hereby acknowledge and

represent that he, she, or they have the power and authority to so bind the corporate authority, and that such authority was conferred by an act of the Board of Directors of such corporate authority, unless the binding of any such corporation is within the power of the person or persons executing this document on such corporation's behalf. In the event that the party or parties executing this document on behalf of any corporate party hereto, do not have authority to so bind the corporation for any cause or reason, then such person or persons shall be personally liable under the terms hereof.

L. SEVERABILITY. If any provision of this Agreement shall be held or made invalid by a court decision, statute or rule, or shall be otherwise rendered invalid, the remainder of this Agreement shall not be affected thereby.

XXII. NOTICES

All notices under this Lease Agreement shall be deemed to be properly served if sent by certified mail to the last address previously furnished by the parties hereto. Until hereafter changed by written notice, said addresses shall be as follows:
