- ➔ **WATER LINE INSTALL – NORTH HAYES AVENUE**

Beginning Monday, May 9, 2022 crews from the City of Pocatello Water Department will be replacing the water mainline on Hayes Avenue between Gould St. to Whitman St. (Project to Last Approximately 22 Weeks). The project will start at the intersection of N. Hayes Ave. and Gould continuing southeast towards Whitman. Crews will work between the hours of 6:30 AM to approximately 5:00 PM. Monday through Thursday. During the project, access to the construction area will be restricted and sections of the street will be completely closed while workers are digging. Every effort will be made to provide local access to the area when possible. Parking will also be restricted in the construction zone and residents are asked to park all vehicles away from the area during the day. At the close of each day, access will be restored to all properties. The project is anticipated to take twenty-two weeks to complete but due to unforeseen circumstances, the work schedule may change.

- ➔ **WATER POLLUTION CONTROL**

- JETTING SEWER LINES**

Crews will be jetting sewer lines throughout the City. Motorists may experience delays or lane closures while crews are performing the work.

- ADA CURB RAMP & SIDEWALK IMPROVEMENTS ON CLARK STREET**

Beginning Friday, July 14, 2022, M & S Construction will be conducting ADA curb ramp and sidewalk improvements on Clark Street between 19th and 2nd Ave. The project will last approximately 6 weeks, but due to unforeseen circumstances (such as concrete shortages), the work schedule may change. The project will start at the intersection of 19th Avenue and Clark Street, continuing southeast towards 2nd Ave. Crews may work between the hours of 6:30 AM to approximately 6:30 PM, Monday through Friday. During the project, access to active construction areas will be restricted and sections of the street will be reduced to one lane. Every effort will be made to provide local access to the area, but alternate routes are suggested. Parking will also be restricted in the construction zone and residents are asked to park all vehicles away from the area during the day. At the close of each day, access will be restored to all properties. Caution in work zones is advised. Please contact Merrill Quayle, Development Engineer at 208-234-6228 or Becky Robison, Project Manager at 208-234-6282 with questions.
