

ROAD CLOSURES & TRAFFIC REPORTS
Beginning the week of August 15, 2022

➔ **STREET OPERATIONS DEPARTMENT**

You can view the sweeping map at:
<https://pocatello.us/DocumentCenter/View/654/>

• **SWEEPING**

Sweeping will be done based on the fog seal schedule below; the regular sweeping schedule will resume upon completion of pavement management projects.

• **FOG SEALING**

Street Operations will begin fog sealing the following streets as shown in the schedule below. Flaggers will be present to direct traffic, and lanes/roads will be closed as work is performed. The schedule may be changed due to unforeseen circumstance such as weather or breakdowns. Motorists are advised to use alternate routes and expect delays in these areas.

- **PATCHING**

The Street Operations crew will be patching potholes and curblines throughout the City in preparation for upcoming pavement management projects. This may require intermittent lane closures and possible temporary road closures as work is performed. Motorists are advised to use caution and expect delays in these areas.

- **PAVEMENT MARKINGS & ROAD STRIPING**

Beginning Tuesday, June 21, 2022, the Street Operations crew will begin repainting crosswalks and arrows throughout the City. The work will continue for the remainder of the season. There will be intermittent lane closures while crews are painting. Drivers are advised to watch for traffic control to stay safe and avoid driving through fresh paint. Please expect delays while work is being performed.

- **TREE TRIMMING**

Street Operations crew will be trimming trees throughout the City in preparation for upcoming pavement maintenance projects. This may require intermittent lane and/or road closures as work is performed. Motorist are advised to expect delays in the area.

➔ **WATER DEPARTMENT**

WATER LINE INSTALL – NORTH HAYES AVENUE

Beginning Monday, May 9, 2022, crews from the City of Pocatello Water Department will be replacing the water mainline on Hayes Ave., from Gould St. to Whitman St. The project will start at the intersection of N. Hayes Ave. and Gould St., continuing southeast towards Whitman St. Crews will work between the hours of 6:30 AM to approximately 5:00 PM, Monday through Thursday. During the project, access to the construction area will be restricted and sections of the street will be completely closed while workers are digging. Every effort will be made to provide local access to the area when possible. Parking will also be restricted in the construction zone and residents are asked to park all vehicles away from the area during the day. At the close of each day, access will be restored to all properties. The project is anticipated to take **22 weeks to complete**, but due to unforeseen circumstances, the work schedule may change.

WATER LINE REPLACEMENT – SUBLETTE STREET

Beginning Monday, August 1, 2022, for approximately 6 weeks, crews from the City of Pocatello Water Department will be replacing the water mainline on Sublette St. The project will start at the intersection of Lincoln Ave. and Sublette St., continuing northeast towards Arthur Ave. Crews will work between the hours of 6:30 AM to approximately 5:00 PM, Monday through Thursday. During the project, access to the construction area will be restricted and sections of the street will be completely closed while workers are digging. Every effort will be made to provide local access to the area when possible. Parking will also be restricted in the construction zone and residents are asked to park all vehicles away from the area during the day. At the close of each day, access will be restored to all properties.

➔ **WATER POLLUTION CONTROL**

JETTING SEWER LINES

Crews will be jetting and cleaning sewer mainlines throughout the City. Motorists may experience delays or lane closures while crews are performing the work.

➔ **IDAHO TRANSPORTATION DEPARTMENT**

I-86/I-15 SYSTEM INTERCHANGE PROJECT

Beginning Wednesday, August 10, 2022, Chubbuck Rd. will be closed between Pleasant View Dr. and Fairgrounds Rd. as part of the I-86/I-15 System Interchange project. Chubbuck Rd. will remain closed until Fall 2024 for roadway and bridge construction activities. A detour directing traffic around the closure via New Day Parkway/Northgate Parkway is in operation. Please visit <https://itdprojects.org/projects/i-86-i-15-system-interchange/> for more information.

➔ **ENGINEERING**

ADA CURB RAMP & SIDEWALK IMPROVEMENTS ON CLARK STREET

Beginning Friday, July 14, 2022, M & S Construction will be conducting ADA curb ramp and sidewalk improvements on Clark St. between 19th and 2nd Ave. The project will last approximately 6 weeks, but due to unforeseen circumstances (such as concrete shortages), the work schedule may change. The project will start at the intersection of 19th Ave. and Clark St., continuing southeast towards 2nd Ave. Crews may work between the hours of 6:30 AM to approximately 6:30 PM, Monday through Friday. During the project, access to active construction areas will be restricted and sections of the street will be reduced to one lane. Every effort will be made to provide local access to the area, but alternate routes are suggested. Parking will also be restricted in the construction zone and residents are asked to park all vehicles away from the area during the day. At the close of each day, access will be restored to all properties. Caution in work zones is advised. Please contact Merrill Quayle, Development Engineer at 208-234-6228 or Becky Robison, Project Manager at 208-234-6282 with questions.

➔ **CONTRACTORS**

STARR CORPORATION-Beginning Monday, May 2, 2022, Starr Corporation will be working on a steam tunnel replacement project which is expected to take approximately 4 months to complete. This will require S. 8th Ave., from Martin Luther King Jr. Way to E. Lovejoy St., to be closed during construction. Detours will be posted. Motorists are advised to use caution and expect delays in the area.

STARR CORPORATION-Beginning Wednesday, July 13, 2022 through Monday, August 15, 2022, Starr Corporation will be conducting lift station upgrades, bypass pumping, and an install of a 4" sewer line, valve vault, and high pressure line. There will be temporary road closures across Grandview Ave., on W. Whitman St., and on the alleyway closest to the Portneuf River. Motorists are advised to use caution and expect delays in these areas.

SAM MCKEE CONSTRUCTION- Beginning Monday, August 8, 2022 through Monday, August 15, 2022, Sam McKee Construction will be installing a sewer connection and a new water connection at approximately 3550 Jason Ave., for a new subdivision. Motorists are advised to use caution and expect delays in this area.

A+ CONTRACTORS- Beginning Tuesday, August 16, 2022 through Wednesday, August 17, 2022, A+ Contractors will be installing a water connection for Creekside Division One on Pocatello Creek Road. Motorists are advised to use caution and expect delays in this area.

INTERMOUNTAIN GAS COMPANY- Beginning Wednesday, August 17, 2022 through Friday, August 19, 2022, Intermountain Gas Company will be installing a new 2” natural gas mainline on the 1600 Block of Pocatello Creek Road. The new natural gas mainline will serve the Creekside Commercial Subdivision. Motorists are advised to use caution and expect delays in this area.

➔ **EVENTS**
