- **SWEEPING**

Street sweepers are currently performing their regular sweeping schedule.

- Monday: Northend
- Tuesday: East Side
- Wednesday: Fairway
- Thursday: West Side

- **MILLING & PAVING**

The Pocatello Street Department will be milling and paving W. Sublette St. from N. Grant Ave. to N. Lincoln Ave., and N. Lincoln Ave. from W. Sublette St. to the river for the Water Department mainline project beginning Monday, August 29, 2022 through Tuesday, August 30, 2022.

The road will be CLOSED while work is being performed. During that time no pedestrians or motorized vehicles will be allowed on the roadway. There will be NO PARKING allowed on the street from 6:30 AM to 6:30 PM or until work is completed. Vehicles parked on the street will be towed to the nearest side street. Residents are also asked to clear the road in front of their house of any obstructions (i.e. basketball hoops, garbage containers, etc.).

If road work is scheduled to be performed on your regular garbage day, please place your container on the street by 7:00 AM for pick up. Please use alternate routes and expect delays in these areas. In the event of bad weather or unforeseen circumstances, the above schedule may be altered and work may be performed on the following work day or rescheduled and performed on a future date.

- **PATCHING**

The Street Operations crew will be patching potholes and curblines throughout the City in preparation for upcoming pavement management projects. This may require intermittent lane closures and possible temporary road closures as work is performed. Motorists are advised to use caution and expect delays in these areas.

- **PAVEMENT MARKINGS & ROAD STRIPING**

Beginning Tuesday, June 21, 2022, the Street Operations crew will begin repainting crosswalks and arrows throughout the City. The work will continue for the remainder of the season. There will be intermittent lane closures while crews are painting. Drivers are advised to watch for traffic control to stay safe and avoid driving through fresh paint. Please expect delays while work is being performed.

➔ **WATER DEPARTMENT**

**WATER LINE INSTALL – NORTH HAYES AVENUE**

Beginning Monday, May 9, 2022, crews from the City of Pocatello Water Department will be replacing the water mainline on Hayes Ave., from Gould St. to Whitman St. The project will start at the intersection of N. Hayes Ave. and Gould St., continuing southeast towards Whitman St. Crews will work between the hours of 6:30 AM to approximately 5:00 PM, Monday through Thursday. During the project, access to the construction area will be restricted and sections of the street will be completely closed while workers are digging. Every effort will be made to provide local access to the area when possible. Parking will also be restricted in the construction zone and residents are asked to park all vehicles away from the area during the day. At the close of each day, access will be restored to all properties. The project is anticipated to take **22 weeks to complete**, but due to unforeseen circumstances, the work schedule may change.

**WATER LINE REPLACEMENT – SUBLETTE STREET**

Beginning Monday, August 1, 2022, for approximately 6 weeks, crews from the City of Pocatello Water Department will be replacing the water mainline on Sublette St. The project will start at the intersection of Lincoln Ave. and Sublette St., continuing northeast towards Arthur Ave. Crews will work between the hours of 6:30 AM to approximately 5:00 PM, Monday through Thursday. During the project, access to the construction area will be restricted and sections of the street will be completely closed while workers are digging. Every effort will be made to provide local access to the area when possible. Parking will also be restricted in the construction zone and residents are asked to park all vehicles away from the area during the day. At the close of each day, access will be restored to all properties.

➔ **WATER POLLUTION CONTROL**

**JETTING SEWER LINES**

Crews will be jetting and cleaning sewer mainlines throughout the City. Motorists may experience delays or lane closures while crews are performing the work.

➔ **IDAHO TRANSPORTATION DEPARTMENT**

**I-86/I-15 SYSTEM INTERCHANGE PROJECT**

Beginning Wednesday, August 10, 2022, Chubbuck Rd. will be closed between Pleasant View Dr. and Fairgrounds Rd. as part of the I-86/I-15 System Interchange project. Chubbuck Rd. will remain closed until Fall 2024 for roadway and bridge construction activities. A detour directing traffic around the closure via New Day Parkway/Northgate Parkway is in operation. ## ➔ ENGINEERING

### **ADA CURB RAMP & SIDEWALK IMPROVEMENTS ON CLARK STREET**

Beginning Friday, July 14, 2022, M & S Construction will be conducting ADA curb ramp and sidewalk improvements on Clark St. between 19th and 2nd Ave. The project will last approximately 6 weeks, but due to unforeseen circumstances (such as concrete shortages), the work schedule may change. The project will start at the intersection of 19th Ave. and Clark St., continuing southeast towards 2nd Ave. Crews may work between the hours of 6:30 AM to approximately 6:30 PM, Monday through Friday. During the project, access to active construction areas will be restricted and sections of the street will be reduced to one lane. Every effort will be made to provide local access to the area, but alternate routes are suggested. Parking will also be restricted in the construction zone and residents are asked to park all vehicles away from the area during the day. At the close of each day, access will be restored to all properties. Caution in work zones is advised. Please contact Merrill Quayle, Development Engineer at 208-234-6228 or Becky Robison, Project Manager at 208-234-6282 with questions.
