SWEEPING

Street sweepers are currently performing their regular sweeping schedule.

- Monday: Northend
- Tuesday: East Side
- Wednesday: Fairway
- Thursday: West Side

RETENTION PONDS

The Street Operations crew will be working on the retention ponds near the I-15 Clark Street Southbound Exit. Motorists are advised to use caution and expect delays in this area.

PATCHING

The Street Operations crew will be patching potholes and curblines throughout the City in preparation for upcoming pavement management projects. This may require intermittent lane closures and possible temporary road closures as work is performed. Motorists are advised to use caution and expect delays in these areas.

PAVEMENT MARKINGS & ROAD STRIPING

Beginning Tuesday, June 21, 2022, the Street Operations crew will begin repainting crosswalks and arrows throughout the City. The work will continue for the remainder of the season. There will be intermittent lane closures while crews are painting. Drivers are advised to watch for traffic control to stay safe and avoid driving through fresh paint. Please expect delays while work is being performed.

➔ **WATER DEPARTMENT**

WATER LINE INSTALL – NORTH HAYES AVENUE

Beginning Monday, May 9, 2022, crews from the City of Pocatello Water Department will be replacing the water mainline on Hayes Ave., from Gould St. to Whitman St. The project will start at the intersection of N. Hayes Ave. and Gould St., continuing southeast towards Whitman St. Crews will work between the hours of 6:30 AM to approximately 5 PM, Monday through Thursday. During the project, access to the construction area will be restricted and sections of the street will be completely closed while workers are digging. Every effort will be made to provide local access to the area when possible. Parking will also be restricted in the construction zone and residents are asked to park all vehicles away from the area during the day. At the close

of each day, access will be restored to all properties. The project is anticipated to take **22 weeks to complete**, but is subject to change.

➔ **WATER POLLUTION CONTROL**

JETTING SEWER LINES

Crews will be jetting and cleaning sewer mainlines throughout the City. Motorists may experience delays or lane closures while crews are performing the work.

➔ **IDAHO TRANSPORTATION DEPARTMENT**

I-86/I-15 SYSTEM INTERCHANGE PROJECT

Beginning Wednesday, August 10, 2022, Chubbuck Rd. will be closed between Pleasant View Dr. and Fairgrounds Rd. as part of the I-86/I-15 System Interchange project. This portion of Chubbuck Rd. will remain closed until Fall 2024 for roadway and bridge construction activities. A detour directing traffic around the closure via New Day Parkway/Northgate Parkway is in operation. Please visit <https://itdprojects.org/projects/i-86-i-15-system-interchange/> for more information.

➔ **ENGINEERING**

ADA CURB RAMP & SIDEWALK IMPROVEMENTS ON CLARK STREET

Beginning Friday, July 14, 2022, M & S Construction will be conducting ADA curb ramp and sidewalk improvements on Clark St. between 19th and 2nd Ave. The project will last approximately until mid-October, but is subject to change. The project will start at the intersection of 19th Ave. and Clark St., continuing southeast towards 2nd Ave. Crews may work between the hours of 6:30 AM to approximately 6:30 PM, Monday through Friday. During the project, access to active construction areas will be restricted and sections of the street will be reduced to one lane. Every effort will be made to provide local access to the area, but alternate routes are suggested. Parking will also be restricted in the construction zone and residents are asked to park all vehicles away from the area during the day. At the close of each day, access will be restored to all properties. Caution in work zones is advised. Please contact Merrill Quayle, Development Engineer at 208-234-6228 or Becky Robison, Project Manager at 208-234-6282 with questions.

POCATELLO CREEK WATERLINE PROJECT

The Water Department's Pocatello Creek Waterline project will be reinstated beginning Friday, September 30, 2022. On Pocatello Creek Rd. the right eastbound lane beginning at Jefferson Ave. will be closed for approximately 4-5 weeks. Beginning Sunday, October 2, 2022 through Friday, October 21, 2022, both directions of travel on Pocatello Creek Rd., from Jefferson Ave. to Call Creek Dr., will be restricted to one lane on week nights from 8 PM – 5 AM. Construction traffic control measures will be in place during these times. Motorists are advised to use caution and expect delays in the area.

➔ **CONTRACTORS**

STARR CORPORATION

Beginning Monday, May 2, 2022, Starr Corporation will be working on a steam tunnel replacement project which is expected to take approximately 4 months to complete. This will require S. 8th Ave., from Martin Luther King Jr. Way to E. Lovejoy St., to be closed during

construction. Detours will be posted. Motorists are advised to use caution and expect delays in the area.
