SWEEPING

Street sweepers are currently performing their regular sweeping schedule.

- Monday: Northend
- Tuesday: East Side
- Wednesday: Fairway
- Thursday: West Side

MILLING & PAVING

The Pocatello Street Department will be milling and paving the roads listed below for the Water Department mainline project beginning Monday, October 24, 2022 through Thursday, October 27, 2022.

- N. Hayes Ave. (from W. Wyeth St. to W. Clark St.)
- W. Fremont St. (from N. Hayes Ave. to S. Garfield Ave.)

The roads will be CLOSED while work is being performed. During that time, no pedestrians or motorized vehicles will be allowed on the roadway. There will be NO PARKING allowed on the street from 6:30 AM - 6:30 PM or until work is completed. Vehicles parked on the street will be towed to the nearest side street. Residents are also asked to clear the road in front of their house of any obstructions (i.e. basketball hoops, garbage containers, etc.).

If road work is scheduled to be performed on your regular garbage day, please place your container on the street as usual by 7 AM for pick up. Please use alternate routes and expect delays in these areas. In the event of bad weather or unforeseen circumstances, the above schedule may be altered and work may be performed on the following work day or another future date.

PATCHING

The Street Operations crew will be patching potholes and curblines throughout the City in preparation for upcoming pavement management projects. This may require intermittent lane closures and possible temporary road closures as work is performed. Motorists are advised to use caution and expect delays in these areas.

PAVEMENT MARKINGS & ROAD STRIPING

Beginning Tuesday, June 21, 2022, the Street Operations crew will begin repainting crosswalks and arrows throughout the City. The work will continue for the remainder of the season. There

will be intermittent lane closures while crews are painting. Drivers are advised to watch for traffic control to stay safe and avoid driving through fresh paint. Please expect delays while work is being performed.

➔ **WATER DEPARTMENT**

WATER LINE INSTALL – NORTH HAYES AVENUE

Beginning Monday, May 9, 2022, crews from the City of Pocatello Water Department will be replacing the water mainline on Hayes Ave., from Gould St. to Whitman St. The project will start at the intersection of N. Hayes Ave. and Gould St., continuing southeast towards Whitman St. Crews will work between the hours of 6:30 AM to approximately 5 PM, Monday through Thursday. During the project, access to the construction area will be restricted and sections of the street will be completely closed while workers are digging. Every effort will be made to provide local access to the area when possible. Parking will also be restricted in the construction zone and residents are asked to park all vehicles away from the area during the day. At the close of each day, access will be restored to all properties. The project is anticipated to take **22 weeks to complete**, but is subject to change.

➔ **WATER POLLUTION CONTROL**

JETTING SEWER LINES

Crews will be jetting and cleaning sewer mainlines throughout the City. Motorists may experience delays or lane closures while crews are performing the work.

➔ **IDAHO TRANSPORTATION DEPARTMENT**

I-86/I-15 SYSTEM INTERCHANGE PROJECT

Beginning Wednesday, August 10, 2022, Chubbuck Rd. will be closed between Pleasant View Dr. and Fairgrounds Rd. as part of the I-86/I-15 System Interchange project. This portion of Chubbuck Rd. will remain closed until Fall 2024 for roadway and bridge construction activities. A detour directing traffic around the closure via New Day Parkway/Northgate Parkway is in operation. Please visit <https://itdprojects.org/projects/i-86-i-15-system-interchange/> for more information.

IDAHO POWER – OVERHEAD POWER LINES

In coordination with the Idaho Transportation Department's I-86/I-15 System Interchange project, Idaho Power will be using rolling barricades on the interstate (I-15 between Exit 71 and Milepost 74, and I-86 east of Exit 61) to slow traffic. These rolling barricades will be used to allow Idaho Power to drop overhead power lines that cross I-15 just south of the Chubbuck Rd. overpass. This operation will last for about 15 minutes on Thursday, October 27, 2022, and is scheduled to take place between the hours of 10 PM and 5 AM. Motorists are advised to watch for slow moving interstate traffic and to anticipate delays.

➔ **ENGINEERING**

ADA CURB RAMP & SIDEWALK IMPROVEMENTS ON CLARK STREET

Beginning Friday, July 14, 2022, M & S Development will be conducting ADA curb ramp and sidewalk improvements on Clark St. between 19th and 2nd Ave. The project will last approximately until the end of October 2022, but is subject to change. The project will start at the intersection of 19th Ave. and Clark St., continuing southeast towards 2nd Ave. Crews may work between the hours of 6:30 AM to approximately 6:30 PM, Monday through Friday. During

the project, access to active construction areas will be restricted and sections of the street will be reduced to one lane. Every effort will be made to provide local access to the area, but alternate routes are suggested. Parking will also be restricted in the construction zone and residents are asked to park all vehicles away from the area during the day. At the close of each day, access will be restored to all properties. Caution in work zones is advised. Please contact Merrill Quayle, Development Engineer at 208-234-6228 or Becky Robison, Project Manager at 208-234-6282 with questions.

POCATELLO CREEK WATERLINE PROJECT

The Water Department's Pocatello Creek Waterline project will be reinstated beginning Friday, September 30, 2022. On Pocatello Creek Rd. the right eastbound lane beginning at Jefferson Ave. will be closed for approximately 4-5 weeks. Beginning Sunday, October 2, 2022 through Friday, October 21, 2022, both directions of travel on Pocatello Creek Rd., from Jefferson Ave. to Call Creek Dr., will be restricted to one lane on week nights from 8 PM – 5 AM. Construction traffic control measures will be in place during these times. Motorists are advised to use caution and expect delays in the area.

➔ CONTRACTORS

STARR CORPORATION

Beginning Monday, May 2, 2022, Starr Corporation will be working on a steam tunnel replacement project which is expected to go until mid-November 2022. This will require S. 8th Ave., from Martin Luther King Jr. Way to E. Lovejoy St., to be closed during construction. Detours will be posted. Motorists are advised to use caution and expect delays in the area.

RS JOBBER INC.

Beginning Monday, October 17, 2022 through Thursday, October 27, 2022, RS Jobbers Inc. will be completing the ISU Alumni Sewer and Water Tie-in project and pavement patch back. There will be temporary road closures on E. Bonneville St. during construction. Detours will be posted. Motorists are advised to use caution and expect delays in the area.

STONE RIDGE CONTRACTING & JAG ENTERPRISES

Beginning Monday, October 17, 2022 through Thursday, October 27, 2022, Stone Ridge Contracting and JAG Enterprises will be performing a water tap from 1077 W. Quinn Rd. to 1033 W. Quinn Rd. There will be a partial closure on the north side of W. Quinn Rd. from Monday, October 17, 2022 through Thursday, October 20, 2022, and a full closure on this section of W. Quinn Rd. from Thursday, October 20, 2022 through Thursday, October 27, 2022. Motorists are advised to use caution and expect delays in the area.
