ITD's contractor will be placing girders on a new northbound I-15 bridge over the ramp to I-86 westbound. To accomplish this, we will need to close the ramp for three days. The detour for this closure will be identical to the one used last year to reconstruct this ramp (through the Northgate Interchange to I-86 southbound). Here are the details:

- I-15 Northbound to I-86 Westbound Ramp Closure
  - NN ramp daytime closure from 6:30 AM to 6:00 PM on these three dates: 08/17/23; 08/21/23; 08/22/23
    - NW ramp will be closed with affected traffic detoured to the Northgate Interchange
    - Girder erection will occur over the closed ramp lane
    - Girders to be delivered on the closed ramp; the ramp closure will be temporarily opened for girder delivery only

- There will also be rolling slowdowns in this area to allow the steel girders to be delivered to the project from 08/07/2023 to 08/15/2023, but no other closures or detours are planned for this work.
