## **PAVING**

The Street Department will be paving the following streets on Monday, September 18, 2023 from 6:30 AM until work is completed. Motorists are advised to expect delays in the area and to use alternate routes.

- **Fore Rd** from Grant going southwest 200 ft.
- **Bannock Hwy** from Walkabout Rd. to 700 ft south on west shoulder of road.

The roads may be CLOSED while work is being performed. During that time, no pedestrians or motorized vehicles will be allowed on the roadway. There will be NO PARKING allowed on the street. Vehicles parked on the street will be towed to the nearest side street.

If road work is scheduled to be performed on your regular garbage day, please place your container on the street as usual by 7 AM for pick up. Please use alternate routes and expect delays in these areas. In the event of bad weather or unforeseen circumstances, the above schedule may be altered and work may be performed on the following work day or another future date.

## **PATCHING**

The Street Operations crew will be patching potholes and curblines throughout the city in preparation for upcoming pavement management projects. This may require intermittent lane closures and possible temporary road closures as work is performed. Motorists are advised to use caution and expect delays in these areas.

## **PAVEMENT MARKINGS & ROAD STRIPING**

Beginning Monday, May 22, 2023, the Traffic Operations crew will begin repainting crosswalks and arrows throughout the City. The work will continue for the remainder of the season. There will be intermittent lane closures while crews are painting. Drivers are advised to watch for traffic control to stay safe and avoid driving through fresh paint. Please expect delays while work is being performed.

## **➔ WATER DEPARTMENT**

### **WATER MAINLINE REPLACEMENT – CHAPEL, MEADOWBROOK, AND HILINE**

Beginning Monday, August 21, 2023, crews from the City of Pocatello Water Department will be replacing the water mainline on Chapel, Meadowbrook, and Hiline. The project will take approximately six weeks to complete. The project will start at the intersection of Hiline and Meadowbrook, and will continue down Chapel Rd., to be completed at the intersection of Chapel and Yellowstone. Crews will work between the hours of 6:30 AM to approximately 5:00 PM, Monday through Thursday. During the project, access to the construction zone will be restricted and sections of the street will be completely closed while workers are digging. Every effort will be made to provide local access to the area when possible. Parking will also be restricted in the construction zone and residents are asked to park all vehicles away from the area during working hours. At the close of each day, access will be restored to all properties.

### **WATER POLLUTION CONTROL**

#### **SEWER MAINLINE MAINTENANCE**

Crews will be jetting and cleaning sewer mainlines throughout the city. Motorists may experience delays or lane closures while crews are performing the work.

## ➔ **IDAHO TRANSPORTATION DEPARTMENT**

### **I-86/I-15 SYSTEM INTERCHANGE PROJECT**

Beginning Wednesday, August 10, 2022, Chubbuck Rd. will be closed between Pleasant View Dr. and Fairgrounds Rd. as part of the I-86/I-15 System Interchange project. This portion of Chubbuck Rd. will remain closed until Fall 2024 for roadway and bridge construction activities. A detour directing traffic around the closure via New Day Parkway/Northgate Parkway is in operation. Please visit <https://itdprojects.org/projects/i-86-i-15-system-interchange/> for more information.

## ➔ **CONTRACTORS**

### **SUNROC CORPORATION – HAWTHORNE RD. & W. QUINN RD.**

The intersection of Hawthorne Rd. and W. Quinn Rd was reopened to the public on Wednesday, August 9, 2023. Be advised that there still may be intermittent lane closures and use caution as the intersection is operating as a 4-way stop until the signal poles can be installed in the spring of 2024. Motorists are advised to use caution and expect delays in the area.

### **M & S DEVELOPMENT AND CONTRUCTION – E. CENTER ST.**

Beginning Thursday, August 24, 2023, for approximately three to five weeks, crews will be installing sidewalk sections, and updating sidewalks and ADA ramps on the south side of E. Center St. between 13<sup>th</sup> Ave. and 19<sup>th</sup> Ave. as part of a Pedestrian Improvement Project. This may require intermittent closures to the south lane of E. Center St. as work is performed. Motorists are advised to use caution and expect delays in the area.
