STREET OPERATIONS DEPARTMENT

SWEEPING

Street sweepers are currently performing their regular sweeping schedule.

- Monday: North end
- Tuesday: East Side
- Wednesday: Fairway
- Thursday: West Side

MILLING & PAVING

Beginning Monday, October 9, 2023 through Wednesday, October 11, 2023, Street Operations crews will be milling and paving the roads listed below for the Water Department mainline project.

- N. Buchanan Ave. (from EOP south of W. Lander St. to W. Wyeth St.)
- W. Wyeth St. (from S. Lincoln Ave. to N. Buchanan Ave.)
- W. Lander St. (from S. Lincoln Ave. to N. Buchanan Ave.)

Crews will work from 6:30 AM to approximately 5:00 PM each day. The roads will be CLOSED while work is performed- no pedestrians or motorized vehicles will be allowed on the roadway. Please use alternate routes and expect delays in the area. In the event of bad weather or unforeseen circumstances, work may be rescheduled to the following workday or another future date.

PATCHING

The Street Operations crew will be patching potholes and curblines throughout the city in preparation for upcoming pavement management projects. This may require intermittent lane closures and possible temporary road closures as work is performed. Motorists are advised to use caution and expect delays in these areas.

PAVEMENT MARKINGS & ROAD STRIPING

Beginning Monday, May 22, 2023, the Traffic Operations crew will begin repainting crosswalks and arrows throughout the City. The work will continue for the remainder of the season. There will be intermittent lane closures while crews are painting. Drivers are advised to watch for traffic control to stay safe and avoid driving through fresh paint. Please expect delays while work is being performed.

➔ **WATER DEPARTMENT**

WATER MAINLINE REPLACEMENT – CHAPEL, MEADOWBROOK, AND HILINE

Beginning Monday, August 21, 2023, crews from the City of Pocatello Water Department will be replacing the water mainline on Chapel, Meadowbrook, and Hiline. The project will take approximately six weeks to complete. The project will start at the intersection of Hiline and Meadowbrook, and will continue down Chapel Rd., to be completed at the intersection of Chapel and Yellowstone. Crews will work between the hours of 6:30 AM to approximately 5:00 PM, Monday through Thursday. During the project, access to the construction zone will be restricted and sections of the street will be completely closed while workers are digging. Every effort will be made to provide local access to the area when possible. Parking will also be restricted in the construction zone and residents are asked to park all vehicles away from the area during working hours. At the close of each day, access will be restored to all properties.

WATER MAINLINE REPLACEMENT – GARRETT WAY, MADISON, COLORADO AND MAPLE ST

Beginning Monday October 9, 2023 crews from the City of Pocatello Water Department will be replacing the water mainline on Garrett Way, Madison Ave, Colorado Ave, and Maple St. The project will take approximately five weeks to complete. The project will start at the intersection of Garrett Way and Madison Ave. and continue down to Maple St. The project will start again from the intersection of Garrett Way and Madison Ave. and continue towards Colorado St. via Garrett Way. Crews will work between the hours of 6:30 AM to approximately 5:00 PM, Monday through Thursday.

Early November the Water Department will return to winter hours and the crews will be working 7:00 AM to 3:30 PM. During the project, access to the construction zone will be restricted and sections of the street will be completely closed while workers are digging. Every effort will be made to provide local access to the area when possible. Parking will also be restricted in the construction zone and residents are asked to park all vehicles away from the area during working hours. At the close of each day, access will be restored to all properties.

WATER POLLUTION CONTROL

SEWER MAINLINE MAINTENANCE

Crews will be jetting and cleaning sewer mainlines throughout the city. Motorists may experience delays or lane closures while crews are performing the work.
